

GETTING TO SHOW

Getting to Ekka 2026 is easy!

Skip the traffic and take public transport straight to the Brisbane Showgrounds.

The recently upgraded Exhibition Train Station is conveniently located in the heart of the event and offers an accessible and comfortable experience for patrons of all abilities and families with prams. The station features step-free access via ramps and lifts, hearing aid loops, a new entry plaza, a pedestrian link to Bowen Bridge Road, and improved signage and safety features.

Coupled with 50 cent public transport fares on the Translink network, getting to the Show has never been cheaper or easier.

The Tilt Train will also stop at Exhibition Station, with half-price Economy Seat fares for both adults and children on select services between Bundaberg and Brisbane.

Other Public Transport and Travel Options

Taxis & Rideshare

A dedicated rideshare and taxi zone is located outside Gate 1, at the corner of Gregory Terrace and Costin Street, providing a convenient drop-off and pick-up point.

Parking

Several car parks are within walking distance of the Ekka, including:

- King Street Car Park
- Royal Brisbane and Women's Hospital
- Valley Metro Car Park
- McWhirters Car Park

Cycling

While cycling is not permitted inside the Showgrounds, secure bike racks are available on Carriage Street
